Description

This is a wonderful opportunity to own a superb solid bronze sculpture. It is of a maiden or lady with long flowing hair beside a Roman or Greek design pillar, the quality is quite exquisite - bright and crisp and it stands on a red marble base with white veining running through it. This is a solid bronze extremely heavy as you would expect and not to be confused with hollow spelter. It stands at 12.5 inches high and the base is 5 inches square. It weighs a staggering 3.5 kgs.
