Description

Professionally restored and rewired. This is a fabulous opportunity to acquire a solid brass genuine Edwardian table or desk lamp. It is quite beautiful with the swan neck and fretwork and it retains its original fluted etched glass shade which is edged in a cranberry or light pink colour. It has been fully restored and rewired by a fully qualified electrician and is ready for immediate use. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of a genuine Edwardian piece. It has British Registration Design Number which accurately dates this lamp of RD503697. It measures 17 inches in height including the shade, and the base is 4.5 inches in diameter. This is a beautiful genuine Edwardian lamp and not to be confused with reproductions. Delivery within mainland UK is included in the price.
