Description

WE ARE SORRY THIS WATCH IS NOW SOLD. TO SEE OUR LATEST FULLY RESTORED WATCHES PLEASE VISIT OUR MAIN WEBSITE WWW.FOWEYRIVER.COM This is a very fine and exquisite example of a ladies wristwatch made by the premier Swiss maker Longines during the 1930s. It has a large rectangular shaped platinum case surrounded by a row of diamonds and then diamonds to the beautifully shaped lugs, they are evenly matched and are bright, crisp. The case has delicate decoration around the sides and it has Longines written on the crown. The lugs are articulated which means they move to shape of your wrist. The bracelet is of solid 9ct white gold and is fully adjustable to fit any wrist size of up to 7.5 inches. It is marked as 9ct. It has approximately 2cts of diamonds. It is quite stunning and the dial is in perfect condition. A new glass has been fitted and the watch case and diamonds professionally cleaned and polished so it is absolutely pristine. The Longines calibre 17 jewel movement is an absolute gem, sparkling clean and in like new condition, this is a movement from the golden age of Swiss watchmaking. The case and lugs measures 47mm x 16mm not including the cro...
