

SA221887

A GOOD GEORGE III WALL THERMOMETER

Price

Sold**Item Reference: SA221887****Date of manufacture: 1800**

Description

An unusual and good quality late 18th/early 19th century mahogany WALL THERMOMETER by W & S Jones of LONDON.* In good original condition, the silvered register plate is beautifully and finely engraved: "Water Boiling" "Fever Heat" "Blood Heat" "Summer Heat" etc., with the numeric scale on the left-hand side, and the mercury tube is original, with its 'ball' reservoir. * William & Samuel Jones worked as a highly regarded firm of barometer and scientific instrument makers in London from approximately 1790-1850. (See a full chapter on their work and history in "Barometers" by Goodison pages 168-169.
