## Description

Huge Antique Clock Set ~ Ormolu and Specimen Marble Four Glass Crystal Regulator ~ French - Circa 1890 ~  
 ~ Excellent condition, fully overhauled ~ A very large and truly magnificent original antique French four glass crystal regulator clock set. It is made of the most beautiful variegated specimen marble, with salmon pink and silver grey veining, mounted with finely finished ormolu (gilded brass/bronze). It is classical in style, to the top is a large and flamboyant figure of an eagle, and to each side a beautifully depicted Greek Sphinx, all beautifully modelled and chased. The movement is mounted within the four glass case, allowing both the movement and the mercury compensated pendulum to be seen working. The side urns are equally large and well finished, a large specimen marble 'cup' is held aloft on three elegantly designed legs of ormolu with hairy paw feet and eagle capitals. The dial is cream enamel on copper with delicately painted floral swags between the numerals and finely fretted gilt brass hands. The French movement is of high quality and is in excellent clean and running condition having been fully overhauled by our clockmaker. The mercury compensat...
