Description

This small antique solid oak writing table is in lovely original condition & is also really good quality. It still has the original leather writing surface & porcelain casters. There is a single drawer on the front & a dummy drawer on the back all with turned wooden handles. It has turned fluted legs & some fine carved corner pieces on the front & back. The lock is also original, but I don't have a key to test it. I would date this desk to around the 1860 period. Width --- 34.8" (89cm) Depth --- 20.5" (52) Height --- 29.5" (75) Kneehole Height --- 23.5" (60)
