Description

Trio of Bentwood Chairs - Original Mundus & Kohn - c1920 An excellent trio of quality bentwood chairs by the recognized manufacturer Mundus & J.J. Kohn. Dating from c1920. Presented in very good condition and constructed to an excellent standard with quality and style which shows why good examples are in such demand. This bentwood classic design is hugely attractive, robust, and offers practicality with these chairs being ideal for daily use. The generous 47cm (18.5") seat height make the chairs suitable for kitchen/dining purposes and the lightness means that they are easy to move around. Standing upon swept legs with ring stretcher the form flows into the triple stick back. The seat displays a pleasing fully embossed central cartouche with peacock overtones.
