Description

This is a superb example of a German mahogany clock by the premier clockmaker HAC. The mahogany case has wonderful inlay and a rich colour and patina, this is complimented by the original white dial with a contrasting brass door. The case itself is very much of the Victorian era with the domed top and corinthian pillars. It strikes on the hour and half hours. The movement has just been serviced so you can be assured that this clock is in tip top condition and will give trouble free service for many years to come. The clock comes with a key and is keeping accurate time. Dimensions of clock: Height 14" Width is 11", Depth 6". Delivery for this item to mainland England and Wales is free.
