Description

A fabulous find, always highly desirable when a box is inlaid with a date and rarely found. The box is typically Georgian in appearance with cross-banded edges, Boxwood inlay and a heavy simple cast brass handle to the lid. The shape of the box makes me feel that it was perhaps a military box used for a hat or wig, something of that kind, especially with the crown inlaid to the front. The top is inlaid with the original owners initials. The interior has been re-lined in a hand-marbled paper, creating a fresh clean finish ready for use. Complete with a working key, this gem remains in superb condition. 11 1/4" x 9 1/4" x 8 1/2" tall. Item ID: 34883 FREE Worldwide Registered Airmail Directly From London, England
