Antique Walnut Side Table or Lowboy

Price

Sold**Item Reference: SA225052****Date of manufacture: 1900**

Description

This antique walnut table has loads of character & is in good original condition. I would date it to around the 1880-1900 period, although it may be a lot older. The top & drawers are crossbanded. The drawers have solid oak bottoms & original brass handles. The bottom of this piece is scalloped all the way around & the back is polished to. The legs are nicely shaped too. This table has a lovely original mellow colour & it looks like a period Queen Anne piece. It could be used as a side table, dressing table or even a desk. Width - 42", 107 cm Depth - 23.2", 59 cm Height - 29.5", 75 cm Knee height - 20", 50 cm in middle
