Pair of Antique Swedish Leather Club Armchairs

Price

Sold**Item Reference: SA225053****Date of manufacture: 1910**

Description

Pair of antique Swedish leather armchairs in good original condition dating from around the 1890-1910 period, with deep buttoned backs & arms. They are very comfortable & not as bulky looking as the traditional English chesterfield armchairs. The leather is in good condition, with no splits, tears or holes & has plenty of character. There is a bit of natural wear on the arms to the top surface of the leather, but only very thin wear, which has been polished over & enhanced to give the chairs even more character. These are great looking chairs & I don't think they will hang around for long. Width - 34.3", 87 cm Depth - 31.5", 80 cm Height - 30.7", 78 cm Seat height - 17", 43 cm PLEASE CHECK MY WEB SITE TO SEE MORE DETAILED IMAGES OF THESE CHAIRS & MANY OTHER ITEMS
