Antique Victorian Deep Buttoned Leather Chaise Longue

Description

Fabulous original antique Victorian Chaise Longue upholstered in deep buttoned leather which has been hand coloured. The leather has a wonderful colour & loads of character. It has been traditionally re-upholstered, which cost a small fortune to do, but I think it was worth the effort, because it looks great & is very comfortable. It has turned legs, brass casters & it is hand tacked all over, with a sprung edge. This chaise is mid-Victorian, around the 1860-80's period & it's in excellent condition. I don't think you will find another one of these on the market. Please enlarge all of the images. Width - 71", 180 cm Depth - 27", 68 cm Height - 28.5", 72 cm Seat height - 15", 38 cm
