Price

Sold**Item Reference: SA225302****Date of manufacture: 1900**

Description

This is a wonderful opportunity to own a genuine Victorian solid brass pair of fire dogs dating to around 1900. They really do stand out because of the fabulous supports, the design is typical of the Victorian era. The brass is crisp yet they retain the patina you would expect from a pair of fire dogs of this age. They measure 9.5" high and 6" deep. Delivery within mainland UK is included in the price. We have a large selection of genuine Victorian brass lighting as well so please take a look at our other items.
