## Description

Professionally restored and rewired by a fully qualified electrician. This is a fabulous opportunity to acquire a cloisonné brass table or bedside lamp dated to around 1920. It has a wonderful baluster design with images of peacocks in blue, green and red enamel. It also comes with brand new cream, green or deep red coloured shade, please let us know which you prefer. It is in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Edwardian pieces. It measures 13 inches in height not including the shade and the base is 5 inches in diameter. This is a beautiful genuine lamp and not to be confused with reproductions.
