PAIR OF ANTIQUE MARIE THERESE CHANDELIERS

Price

Sold**Item Reference: SA225355****Date of manufacture: 1910**

Description

This pair of circa 1910-1940 'Marie Therese' chandeliers have been recently rewired to UK specifications. All the drops are original and have been refitted with brass pins to keep them in place, and there are four lovely original glass prisms on each chandelier. Each chandelier has eight arms, and the old candle tubes were replaced with new ones during rewiring. They measure approximately 73cm in length (to the base of the drop underneath) and 66cm in width. These are not modern copies of the old Marie Therese chandeliers, we do not deal in reproduction items. They can be viewed in the Surrey area, and delivery within easy reach of the M25 possible.
