

SA225591

Fine Quality Mid Victorian Centre Stool. c1870.

Price

Sold

Item Reference: SA225591

Date of manufacture: Victorian

Description

A wonderful example of a Victorian Centre or Window Stool, fully restored and with new top quality upholstery, a damask material, deep buttoned. It has short "barley twist" legs and a carved and shaped serpentine frieze which is really unusual and adds to the attractive look of this outstanding, rare piece of period furniture. Dimensions....51 inches by 21 inches and 16 inches tall.

Internal Ref: 023088
