17th Century Carved Oak Panel of a Bird and a Tree of Life

Price

Sold

Item Reference: SA225986

Date of manufacture:

Description

A Wonderful carved period panel dating to the 16/17th Century of a bird on the top of a tree of life. It measures 15.5 cm wide by 36cm high. In view of it's age it is in very good condition with some woodworm damage to the bottom of the panel. Please view my other interesting items. Many thanks Karen 07866 475069
