Description

Good quality antique Victorian mahogany chest of drawers which is lower than usual. The top is solid mahogany, the drawers are deep, plus the bottom one comes out attached to the plinth, so giving it maximum depth. The drawers also have bun handles & this piece has a good original colour & patina. It also has rounded corners & locks in all the drawers. These lower Victorian models are quite hard to find & I am always being asked for them. Width - 41", 104 cm Depth - 20", 51 cm Height - 34.3", 87 cm
