Victorian mahogany round cornered chest

Price

Sold**Item Reference: SA227089****Date of manufacture: Victorian**

Description

Victorian mahogany round cornered chest. I would recommend that you watch the video of this attractive chest by visiting [hingstons-antiques website](http://hingstons-antiques.com). A Victorian mahogany round cornered chest fitted 5 drawers, the bottom drawer continues into the plinth and so adds even greater storage space. The drawers have the original turned knob handles. The chest stands on castors that are concealed under the base. 107cms wide 53cms deep 98.5cms high
