Description

This is a fabulous opportunity to acquire a pair of solid brass genuine Victorian desk or table lamps dated to around 1880. Originally candlesticks with the wonderful tall and elegant Victorian design, they have now been converted into table lamps by a fully qualified electrician and are ready for immediate use. They also come with brand new green coloured shades. They are in excellent condition with the brightness of the solid brass yet retaining the patina which you would expect of genuine Victorian pieces. They measure 28 inches in height including the green shades, the base is 6.5 inches in diameter. This is a beautiful genuine pair of lamps and not to be confused with reproductions.
