ESTATE CABINET**

Price

Sold**Item Reference: SA228514****Date of manufacture: 1850**

Description

FINE wonderfully well made mid 19th century Scottish mahogany estate cabinet. The base with three cupboard doors with three drawers above standing on small plinth. The central drawer fully fitted with a writing slope. The super structure above with three drawers down each side with two cupboard doors in the centre. The central cupboard all fitted inside with pigeon holes etc. The doors have a very nice simple moulded decoration that matches both top and bottom. The base also with carved scroll decoration to the top of the doors. The whole piece displays top quality manufacture in all aspects and is in exceptionally good condition. No veneers chips or roughness around the edges. Very nice original colour and patination. SIZES; 5 foot long by 2 foot wide by 4 foot high overall. 34" height to the top
