Sold**Item Reference: SA228707****Date of manufacture: 1900**

Description

A wonderful pair of wooden candlesticks, always a winning combination, polished Oak and brass. Not to be confused with a simple pair of twists, these are the highly sought-after "open" twists, with two hand carved twists spiraling around each other. The cast brass tops in the form of Scottish thistle form, protect the wood from hot wax drips, the brass re-polished to gleam. Dating to around 1900, they both remain in excellent condition, measuring 10" tall with a base diameter of 5". The undersides have been finished with a new piece of green baize to protect your polished furniture. Item ID: 34940 FREE Worldwide Registered Airmail Directly from London, England
