Description

Professionally restored and serviced. English mahogany bracket clock by Elliott. ~~ Excellent condition throughout ~~ This is a superb example of an English mahogany bracket clock by the premier English clockmaker Elliott. This was Elliotts top of the range model with full Westminster and Whittington chimes, with chime silence and nighttime silence control. The mahogany case has a wonderful rich colour and patina and the grain really does shine through, this is complimented by the original bronzed dial with a contrasting silver chapter ring. There are figures to each corner of the dial and a central floral motif. The round Latin inscription translates to Time Flies. The movement is an outstanding piece of engineering and is totally original, it is one of the finest clock movements you will ever see. The movement has just undergone a full overhaul, clean and service by Alan Williams who is a Fellow of the British Horological Institute with over 40 years experience working with high quality clocks so you can be assured that this clock is in tip top condition and will give trouble free service for many years to come. The clock still has its original key. It is ke...
