Description

A quite magnificent and elegant biscuit box or barrel, by the famous and highly collectible W.M.F. (Württembergische Metallwarenfabrik). This gorgeous Art Nouveau example is lined with a removable Bristol Blue glass liner, still in unblemished condition. One of the feet have the (worn) WMF mark including EP for Electro-Plated and "I/O" meaning normal silver coating which is equivalent to 1 gram of silver per 1 dm² of base metal surface. Around the base there is also the pattern number for this piece, 231. The lid also has the marks NS for Nickel Silver and again the I/O mark. About as stylish as they get in excellent condition. The lid diameter measures 5 1/8" and stands 8" to top of lid finial and 9 1/2" to top of handle when upright. Item ID: 34927 FREE Worldwide Registered Airmail Directly from London, England
