Description

A rare opportunity to acquire an oak cased Vienna wall clock. Invariably made in mahogany or walnut, we often hear people say they would love a Vienna but they are too dark to match their décor. This one is a lovely golden oak and would suit the lighter decorated home. The 8 day movement strikes the half-hours and the hours and has just been fully serviced by our BHI registered staff. The enamelled dial is free from cracks, chips or crazing and has black Roman numerals and a subsidiary seconds dial. Brass weights and pendulum in excellent condition. An enamelled beat counter. The case is beautifully polished with a nice rich patina. ALL OF OUR CLOCKS CARRY A FULL PARTS AND LABOUR ONE YEAR GUARANTEE. ALL ARE AVAILABLE FOR EXPORT WORLDWIDE.
