Description

This is a very large antique mirror with a gilded wood frame and original glass, in very good condition. We date it to be from around 1910-1940. In length, it measures 126cm + 30cm including the ornate top decorative section, and 86cm in width; and it is very heavy! The last photograph shows the wood backing with two large fixings to make it easier to put on a wall. We would prefer collection from us in Surrey, otherwise we would need to send it out via a courier service. Please contact us for a quote. If the buyer can arrange collection, we would be happy to offer a discount on the price.
