Description

A very handsome military or campaign style jewelry box made from solid Mahogany with the most beautiful brass strapping. What makes this an exceptional example is the inlaid brass banding to the sides, bringing the box to life and clearly a top quality piece. The box has been professionally re-lined in a very dark Navy (almost black) velvet, superbly executed creating a fresh, clean and very usable box with a full ring compartment at the rear running the entire width of the box. The box retains the original inlaid engraved brass makers label "Mechi & Bazin - Makers, London". The box remains in excellent condition dating to around 1860, a good 150 years old. Perfect for a lady or gentleman. 11" x 8 1/2" x 4 3/4" tall. Complete with a working tasselled key. Item ID: 34956 FREE Worldwide Registered Airmail Directly from London, England
