Description

A fabulous and rare piece of early Tunbridge Ware, all hand-painted with a scene featuring the seaside town of Brighton on England's south coast. The board came to me with the four carved bone pegs, which I believe to be the original to the board. A wonderful piece, dating to the Regency era, around 1820. Normal surface wear. Measuring 7 3/4" x 5". Item ID: 35009 FREE Worldwide Registered Airmail Directly from London, England
