Description

This a beautiful Victorian carriage clock, the case is 18ct gold plated and not polished brass as in the majority of carriage clocks, it is in superb condition, bright and clean. The movement is of high quality and still retains its original platform lever escapement, it strikes on the hour and half hour. The white dial is superb and all glass panels are perfect with no chips or cracks. The movement is in excellent clean and running condition having just undergone a complete and comprehensive overhaul by Alan Williams who is a Fellow of the British Horological Institute so you can be assured that this clock will give trouble free service for many many years before requiring any further attention. A beautiful high quality Victorian striking carriage clock in wonderful condition which will give great pleasure for many years to come. This clock has obviously been highly prized and looked after over the last 110 years and is a credit to its previous owners. The clock movement comes with a full 12 month warranty. Dimensions of clock: Height with the handle up 6", Width 3.25" and Depth 3". If you would further information please visit our website www.foweyriver.com or ...
