Pair of Antique Swedish Satin Birch Armchairs

Price

Sold**Item Reference: SA231783****Date of manufacture: 1910**

Description

Stylish pair of antique Swedish Satin Birch armchairs in lovely original condition. They have just come over from Sweden, been gently polished & recovered in a grey linen fabric. These chairs have very generous proportions, with 'Trafalgar' backs, scroll over arms & sabre legs. They also have ebonized central back splats & turnings below the scroll arms. I would say they date from around the 1890-1910 period. Pairs of 'Empire' style armchairs like these are becoming extremely hard to find & are very sought after. I do also have the four matching dining chairs which came with them. These are available separate as well, but if someone wants them all as a set, I will work out a good price. Width - 23.6", 60 cm Depth - 22", 56 cm Height - 36.2", 92 cm Seat height - 17.7", 45 cm
