## RARE 18th CENTURY BELL METAL DRINKING VESSEL

Price

**Sold**

**Item Reference: SA232235**

**Date of manufacture: 1750**

## Description

Here we have a RARE 18th century bell metal or gunmetal drinking vessel very much of the shape and style of early wooden treen drinking vessels of similar period. This piece is definitely 18th century, possibly quite early. Lovely colour and patination. Also has a really nice "ring" to it. SIZE; 4" diameter at the top. 5" high
