Antique Swedish Mahogany Marble Top Commode

Price

Sold**Item Reference: SA232417****Date of manufacture: 1910**

Description

Antique Swedish mahogany marble top three drawer commode. The commode has a more refined look than the ones I normally import. It has gilt metal handles, escutcheons & locks on all the drawers. There is also a brass work beading going around all the drawers. It has grooved canted corners, with gilt metal in the grooves, plus more gilt metal mounts on the tops of the legs, which sit on brass feet. This commode has just been polished, so is in good condition & I would say it dates to around the 1910-20's period. Width - 35.5", 90 cm Depth - 17.5", 44 cm Height - 29", 74 cm
