Description

A really fabulous pair of antique silverplated candlesticks dating to the late Victorian era, around 1890. They have the most fabulous look, with beautiful and highly decorative bases incorporating hand-chasing with foliate and fruit motifs. One has a mark to the underside, I cannot identify the maker, it appears to read Jurst with a phoenix motif stamped next to it. Really handsome and in excellent condition. The bases measure 5" square and they stand 12 1/4" tall. Item ID: 34969 FREE Worldwide Registered Airmail Directly From London, England
