Pair of Antique Swedish Satin Birch Armchairs

Price

Sold**Item Reference: SA233620****Date of manufacture: 1900**

Description

This pair of antique Swedish satin birch armchairs are top quality & have very generous proportions. They are in good condition, having just been polished & re-upholstered. I would date them to around the 1900-10 period. Those of you who are familiar with my site, will know I bring a lot of armchairs from Sweden, but this is not the usual model I get. I think they are better than the average, in terms of quality, shape & comfort. The wood has a lovely silky finish & the carvings are good too. Width - 28.5", 72 cm Depth - 30", 76 cm Height - 30.7", 78 cm Seat height - 16", 40 cm
