Sold**Item Reference: SA234128****Date of manufacture: 1800**

Description

This RARE ANTIQUE JUG, with impressed diamond quilt-effect detail, is decorated with transfer prints of ADMIRAL LORD NELSON and his ship HMS VICTORY. It dates from circa 1820. The JUG stands approximately 7.25 inches (18.25 cm) high. There is an old-fashioned rivetted repair to the handle which is quite stable (please see photographs) and a small surface chip to the top rim.
