Antique George III Tripod Table with Ring Turned Pillar

Price

Sold**Item Reference: SA234140****Date of manufacture: Georgian**

Description

A magnificent George 3rd period tripod table in solid mahogany standing on an elegant ring turned pillar and tripod base. This elegant table has a rich patination to the wood and has an oblong top making it ideal as a lamp or occasional table. A stunning example dating from the George III period. The top is old, but may not be original to the base. Construction/Wood: Solid mahogany Condition Report: In good solid condition. Some small scuffs and marks commensurate with age. Some small damage to one of the feet (see photo). The top may not be original to the base. Dimensions: Height: 27.5" Diameter of Top : 19.5" by 24" Delivery: £39.95 to Mainland England 14-21 Days via Furniture Courier Other areas of UK please ask for a quote.
