Antique Edwardian Nursing Chair

Price

Sold**Item Reference: SA234473****Date of manufacture: 1900**

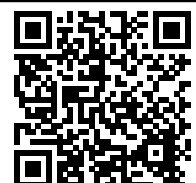

Description

A very decorative antique Edwardian nursing chair. A very nice quality chair with an intricately carved back and pierced back splat. It stands on cabriole legs and has been recovered in a cream brocade fabric - "Frankfurt Cream leaf". A delightful, high quality antique chair which would make an ideal bedroom, hall or dressing table chair. Construction/Wood: Mahogany Condition Report: Good condition. Scratches and marks commensurate with age. Newly recovered. It has an old vintage board fixed to the underside. Dimensions: Width: 17" Depth : 18" Height to seat: 14" Overall Height: 33" Delivery: FREE to Mainland England, Wales & Scotland (not highlands) via standard courier 5-7 Working Days
