

SA234480

Antique Seamans Chest

Price

Sold**Item Reference: SA234480****Date of manufacture: Victorian**

Description

A Victorian Seaman's chest which has a brown painted exterior with the initials CW in studs on the dome top. It has a lock cover (but no lock) and a replacement brass drop ring lifting handle and two side carry handles. The interior has been re-papered using 19th century newspaper and then varnished. Would make an ideal toy box, log box or shop display item. Construction/Wood: Pine, painted exterior, newspaper lined interior. Condition Report: It is in good solid in construction. There are some scuffs and marks commensurate with age. There is a split to the back near the hinges and damage to one of the hinges. The drop handle is a replacement. Dimensions: Width: 23.5" Depth: 16.5" Height to top of Dome: 18" Delivery: FREE to Mainland England, Wales & Scotland (not highlands) via standard courier 5-7 Working Days
