Sold**Item Reference: SA234565****Date of manufacture: 1910**

Description

Good quality pair of antique French open arm salon armchairs, with good crisp carvings & a nice warm colour. The walnut frames have a lovely shape & they have just been re-upholstered in a good quality cream fabric with double piping. They are in good original condition & I would say they date from around the 1910-20's period. The seats are good height, so they could be used as carver chairs at the end of a dining table. These type of chairs are always very versatile, great in bedrooms, living rooms or anywhere in the home. Width - 24", 61 cm Depth - 25", 62 cm Height - 38", 96.5 cm
