AN ORIGINAL BRASS ART NOUVEAU CEILING LIGHT

Price

Sold**Item Reference: SA234621****Date of manufacture: 1880**

Description

An original, brass three arm Art Nouveau ceiling light that has just been rewired for the UK market. It measures 44cm in length and approximately 46cm in width, and the replacement glass bell shades are included in the price. It is in very good condition, although there are a couple of barely visible small soldering marks under the decorative leaves, and a tiny piece just above the leaf holding a shade but just looks like dark brass. We have tried to show this in photographs 1 and 4, and it would not be seen once the light is in position. At the top of the ceiling fitting is a brass disc that unscrews to allow it to be fitted flush to the ceiling.
