Price

Sold**Item Reference: SA234800****Date of manufacture: 1920**

Description

Antique Georgian style serpentine fronted chest of drawers in burr walnut with reeded canted corners & a crossbanded top. The figuring in the wood is particularly nice (see all the patterns of burr in the images) & the colour is lovely too. There are four drawers with the original brass handles & it sits on bracket feet. It's in good condition, structurally sound & I would say it dates from around the 1920-30's period. Width - 32", 81 cm Depth - 18.5", 47 cm Height - 32.3", 82 cm
