Description

This is the sort of thing I'm always being asked for. A good size pair of chests that can be used as bedsides. These chests are antique Sheraton style in mahogany, with inlay & crossbanding on the tops & drawer fronts. They have original brass handles, sit on splayed feet & are in good condition, having just been French polished. I would say they date to around the 1910-20's period & they are really good quality. Width - 25.2", 64 cm Depth - 15", 38 cm Height - 29", 74 cm
