Description

A superb quality mid 18th century Georgian oak dresser base. This is a great example of a George Geo III three 3 drawer sideboard serving hall lowboy lamp sofa table. The two plank top has a rich colour and like the drawers is cross banded in English walnut. The whole is raised on shaped cabriole legs and pad feet. The shaped sides and more unusual and desirable pierced wavy frieze all serve to make this piece of furniture a cut above your average model and would make a handsome addition to your home. This piece of antique furniture has been fully restored by our qualified professional restorers so all the drawers run smoothly. Circa 1760. Measures 72" w x 20" d x 32" h.
