Description

This antique Regency style sofa table has a lovely shaped top & is very good quality. The top & drawer fronts are flame mahogany, with inlay & crossbanding. The drawers have fine dovetails & original brass handles. There is a cross stretcher joining the legs, which gives it more stability & it has swept feet with brass capped casters. The back of this table is polished too. It's in very good condition, having just been polished & I would say it dates from around the 1910-20's period. These tables are quite versatile, because they can be used behind a sofa, or as a side table, dressing table or even as a writing table. Width - 36.6", 93 cm Open - 57.5", 146 cm Depth - 25.6", 65 cm Height - 29.2" 74 cm
