Price

Sold**Item Reference: SA235918****Date of manufacture: 1910**

Description

A pair of three arm Marie Therese glass chandeliers circa 1910-1950 . They have recently been cleaned and completely rewired for the UK market. Each arm has faceted glass drops coming down, as do the candle cups and ceiling fitting. We have lightened the second photograph so the quality of the drops can be seen easily. They measure approximately 50cm at the widest point and 41 cm in length down to the base of the glass ball. They can be viewed in the Surrey area, and can be delivered within easy reach of the M25. We can supply further photographs or details if required, so please email lancasterantiques@ymail.com.
