Sold**Item Reference: SA237212****Date of manufacture: 1800**

Description

A smashing oak chest of drawers with a brushing slide. This chest of drawers is in completely original and very good condition with a lovely patination. It is a nice size being only 88cm high (34.5") and 98cm wide. A rather nice feature is that the top drawer has some newspaper lining dating from 1806. the depth is 49cm. It has been through the workshop so all the drawers run smoothly etc. A really nice honest oak piece and unusual having a brushing slide
