Antique Regency Carver Rope Twist Desk Chair

Price

Sold**Item Reference: SA237792****Date of manufacture: 1800**

Description

An antique period Regency carver chair in solid mahogany. It features a tablet back and reeded arms with an attractive rope twist centre. It stands on turned legs and has been newly recovered in a traditional design of ivory and green brocade. A solid and substantial chair that has been restored and would make a beautiful desk chair or hall chair. Construction/Wood: Mahogany Condition Report: Solid and sturdy. Newly recovered over existing upholstery - new fabric, upholstery fairly new and in good condition. Wear and marks commensurate with age. Old restoration to both arms and the seat rail. Dimensions: Width: 21.5" Depth: 18" Height to seat: 18" Overall Height: 32" Delivery: £34.95 to Mainland England via furniture courier Other areas of UK please contact us for a quote
