Description

Outstanding Omega solid 9ct gold gents wristwatch. This is a very fine example of a gents classic wristwatch made by the world renowned premier Swiss maker Omega. The watch is the Seamaster calibre 552 24 jewels fully automatic movement, as you can see it is in fabulous condition. The dial is in superb unmarked condition. It has the rare luminous gilt hands and baton markers. It has the Seamaster symbol embellished on the back of the case which is bright and crisp and also the Omega symbol on the crown. A new glass has been fitted and the case has been professionally polished so it is in superb condition. It is attached to a solid 9ct gold brick link design bracelet hallmarked for 1959 which fits a wrist size of up to 7.5 inches but this can easily be reduced to fit any wrist size by a competent jeweller. As you would expect the watch is fully marked on the dial, movement and case. The case is hallmarked. Omega are one of the most exclusive watchmakers in the world and this watch certainly has that understated elegance that whispers class. The watch case measures 34mm in diameter not including the crown. Overall this watch is in outstanding condition and highly s...
