Description

We are absolutely delighted to offer for sale a rather magnificent landscape oil painting on panel depicting a small herd of cattle watering beside a flooded dirt track executed by respected BRITISH ARTIST RICHARD TEMPLE. The painting has retained the original highly decorative plaster & gilt swept frame in good order, and has been fully sealed from the back with a sturdy plywood and gum tape. There are labels verso with one relating to a Christies Auction House number. CONDITION The painting is in nice condition commensurate with age, would benefit from a light clean, although it is preferable to buyers to still retain the original patina and varnished surfaces. MEASUREMENTS Height 26 Inches Width 34 Inches IMAGES: Last four images are with a bright flash & using close macro setting on camera, making things look much lighter and paler. Image 1 is visually the true colouration of the oil, which has good detail. TELEPHONE ENQUIRIES: 07765 856171 HOURS 10AM-10PM 7 DAYS A WEEK BY APPOINTMENT ONLY.
