Description

This pair of antique Georgian mahogany side tables are the sort of thing I am always being asked for. They are in great condition & I would say they date to around the 1800-1820's period. These are original tables & may have originally been two ends of a larger dining table. The tops are crossbanded & the legs are beautifully turned with plenty of reeding. Width - 36", 91 cm Depth - 19", 48 cm Height - 28.3", 72 cm
